

A.J. Beckles

- Tokyo Revengers – Takemichi
- Kemono Jihen – Shiki

A.J. Beckles, born and raised in the Boston area, is most known for his roles as Takemichi Hanagaki, the lead in Tokyo Revengers and Shiki Tadamaru in Kemono Jihen! He's studied under some of the best in the industry, including Crispin Freeman, Mary Elizabeth McGlynn and Richard Horvitz. When not acting in animation, anime and games, A.J. can probably be found demolishing a cheese burger and playing some video games!
