Dave Fennoy has been a preeminent voice working in Los Angeles since 1990 and one of the most versatile voices in the industry providing voices for Commercials, Narrations, TV Promos, Award Shows, Animation and Games. One of his first jobs most notable roles, if not the most notable, has been that of Lee Everett in The Walking Dead by Telltale Games as well as the voice of RoboCop in a telephonic RoboCop game . Gamers enjoy his work on STARCRAFT II, Metal Gear, That's So Raven, Ultimate Spiderman, Delta Force, and many others. Narration credits include programs for National Geographic, Discovery Channel and Science Channel's popular series, "When Earth Erupts". His various film voices include "Ghost Rider", "Happy Feet", and "King's Ransom", and he has proved to be a cartoon favorite in such series as The LeBrons, Kim Possible, Ben 10, Pro Stars, Johnny Quest and Sonic the Hedgehog.
