Kayleigh is Voice Actress, Writer, Worldbuilder and Artist from a cornfield somewhere in the backwoods of Illinois. She is best known for playing the fan favorite character Pina in the hit anime BEASTARS on Netflix, and as nonbinary mage Varden Dawngrasp in the massive Hearthstone digital card game set in the world of Warcraft. She is one of few Transgender women in professional voice over, and a major advocate of social progress blazing a new path in the realm of acting for anime, cartoons, and games.
